DONATION OF GOODS

One of the many aspects Adventist Community Services must arrange in disaster response is the transportation of goods donated during a relief effort. It can be very costly to transport toothpaste from the Southern Union Conference to North Carolina. In an effort to utilize digital shopping to our advantage we are encouraging members to consider using online shopping and shipping to help the disaster victims.

Online shopping can help reduce our relief costs by directing the products you give directly from the distributor to the disaster area.

For those who wish to give to the relief effort in North Carolina ***we recommend online shopping***. If you prefer to give donated goods (rather than money) there are two sources you can use to get those items for those affected.

1. Print the “needs list” below.
2. Go to the site of your choice; either Amazon.com or Walmart.com and start shopping. Put as many items as you wish to give in your shopping cart.
3. Take note of the shipping addresses below depending on which site you are ordering from. Be sure to ship the supplies directly to the site, rather than to your home address.

Please note:

- Amazon Prime – Free Shipping
- Walmart – Free shipping for \$35 or more.
- Please order from the attached list and ship directly to the churches that Adventists have set up for collection sites.
