

2021 Homeland Missions Project Funding Application

OF SEVENTH-DAY ADVENTISTS

These are Columbia Union funds which are distributed to the local conferences to assist them with local projects that are evangelistic in nature and make a community impact. Projects must be financially supported by and subject to the governance of the local conference. If a project has its own 501c3 it is subject to NAD policy C-47 and is not eligible to receive Columbia Union funds. Funding subsidies are made one year at a time for a maximum of 3 years. Funding applications must be submitted annually. Present funding does not guarantee future funding.
