## Pre-Kindergarten Classroom Standard for Accreditation

Note:	This standard is for schools with a stand-alone pre-kindergarten classroom or a combined pre-
	kindergarten/kindergarten classroom. (This standard does not apply in the Pacific Union

Conference and Church of Canada)

**Standard:** Developmentally appropriate practices for young learners in early childhood education

classrooms are in place to meet the academic and social needs of the children prior to

entering formal schooling.

**Evidences:** Classroom observations, approved curriculum, lesson plans, children's

work/portfolio, assessment, instructional materials, equipment, and or

resources, student handbook, professional development, financial statement,

photos, certificates/license, written health and safety plan.
